Yes to full consolidation of EPCOR Wastewater Districts

DOCKETED BY

COMMENTS :_

We are definitely for the full consolidation of EPCOR wastewater district. Our neighborhood is tired of footing the bill for the company to reap the benefits. If we are going to pay to build this wastewater treatment plant then we should all be given stock in the company. By spreading the costs involved in maintaining their equipment, it makes things fair for everyone and not just a select few. We are ALL on budgets these days whether we are retirees or raising families, and none of us can afford to fully support EPCOR and their shady policies.
